The Simsbury Airport is operated by the non-profit Simsbury Flying Club. We receive no government aid, and are self-supporting. The Fly-In is a major factor in our efforts to keep this airport alive and well. Your donation will be greatly appreciated, and will help assure the continued existence of this small country airport. We hope to see you again next year at our Fly-In in September!

After this event, we will post photos and other information on our website, which is found at [www.simsburyflyin.com](http://www.simsburyflyin.com).
